E! Networks and BBC SKY Announce Casting of Michael Jackson in Its Re-Enactment of The Michael Jackson Trial

Actor Edward Moss Will Bring Michael Jackson to the Screen in Daily Half-Hour Courtroom Re-Enactments Airing on E! and BBC SKY; News Coverage Will Start Following the Conclusion of Jury Selection (**UK Terminology: Reconstructions With Actors)

LOS ANGELES, Feb. 9 -- E! Entertainment Television and leading UK-based satellite broadcaster British Sky Broadcasting (BBC Sky) announced today that actor Edward Moss will depict Michael Jackson in its re-enactments of The Michael Jackson Trial. Moss, a native of Los Angeles, has been performing as Michael Jackson since 1996.

"Edward Moss brings experience and skill to the role of Michael Jackson," said Jeff Shore, Senior Vice President of Production, E! Networks. "All the components of our production, from casting to the recreation of the courtroom set, will be vital to our re-enactment series of The Michael Jackson Trial, which we believe will be one of the most memorable court cases in history."

Simon Bucks, Sky's Associate Editor, commented, "We are delighted that Edward Moss has agreed to read Michael Jackson's words. This innovative programming initiative draws on the reconstructions with actors which Sky News pioneered during The Hutton Inquiry in 2003. "As well as having a striking resemblance to Michael Jackson, Edward also has the acting ability to accurately portray him on a daily basis for Sky News and Sky One."

Moss has performed all over the globe appearing as the pop singer on stage, television and in films. He has appeared on "MadTV," "Politically Incorrect," "The Steve Harvey Show" and "Nip/Tuck." His film credits include "Scary Movie 3" and "Don't Be Scared." He has also appeared in numerous commercials, music videos and stage shows in Las Vegas, including the Bette Midler Millennium Concert and Carnival Cabaret.

Said Edward Moss, "This is my biggest challenge to date and I am aware that my portrayal will be followed by millions

every day on E!, Sky News and Sky One."

Edward Moss is represented by the Elyse Del Francia Entertainment Company.

Using re-enactments taken from portions of court transcripts, the series will highlight the previous day's testimony and happenings in the courtroom. On E!, the series will also include expert commentary by a panel of legal analysts.

The Michael Jackson Trial is scheduled to air Monday through Friday nightly at 7:30 PM ET/PT on E! Entertainment Television, with a weekend wrap-up show airing each Saturday. The programs will air exclusively in the UK on Sky News and Sky One every weekday. Additionally, Sky News is available in over 40 countries worldwide.
